Hi Karyllan,

Thanks for the heads up. That reminds me, I have a somewhat fuzzy recollection that Tierra Solutions asked for a copy of EPA's correspondence with the CPG about the peer review. No one has asked me directly but since it is not confidential if Carol Dinkins asks me, I would have no reason not to give it to her.

I'm glad to hear about the Lyndhurst meeting too. Hope that goes well.

Hi Sarah,

I should also have mentioned that the Group is finalizing a letter in response to your recent one on peer review. It's short and probably doesn't require any response. I just wanted to give you a heads up.

Also, I believe that a meeting with Lyndhurst will take place on Monday afternoon. Last I heard, we were just waiting for one more person to confirm that the date/time works.
